

2019-2021 STIP - ACTIVE TRANSPORTATION 100% LIST: ODOT REGION 1

Updated 2/16/2017

ODOT established two leverage programs for the 2018-2021 STIP project selection process. The Active Transportation Program provided funds for bicycle, pedestrian and/or transit improvements on the state system.

STIP ID #	PROJECT	COUNTY	PROPOSED SCOPE	TOTAL
20521	Cornelius Rapid Flashing Beacon (RRFB) Project	Washington	This project will investigate two possible locations for one RRFB intersecting 12th Ave at either Adair or Baseline Streets in Cornelius. Work includes an engineering study and funds toward the construction of the RRFB at the determined location. Leveraged with: Region 1 Bike Ped Safety/ARTS project	\$ 150,000
20520	OR99E: Park Ave to Clackamas River Bridge	Clackamas	Construct pedestrian crossing enhancement at OR99E at Hull. Install buffered bike lanes north of Roethe Road. Fill in sidewalk gaps at Pete's Lair and other properties on corridor, as feasible. Leveraged with: Region 1 Bike Ped Safety/ARTS project	\$ 1,000,000
20437	OR99W: I-5 - McDonald Bike Ped Infill	Washington	Fill in sidewalk and bike lane gaps along OR99W in conjunction with OR99W: I-5 - McDonald Preservation project as feasible. Upgrade substandard pedestrian and bike facilities as feasible. Leveraged with: OR99W: I-5 - McDonald Preservation project	\$ 986,000
TOTAL				\$ 2,136,000
