

2019-2021 STIP - PRESERVATION 100% LIST: ODOT REGION 1

Updated 2/22/2017

Projects in the Pavement Preservation program improve the safety of the state highway system by improving conditions related to the roadway surface (ruts, slick surfaces, drainage problems, cracks, and potholes) as well as funding a limited number of safety items like durable striping, guardrail, roadside obstacle removal, and slope flattening.

STIP ID #	PROJECT NAME	COUNTY	PROPOSED SCOPE	TOTAL
20435	OR99W: I-5 - McDonald St	Washington	Repave roadway, upgrade ramps to current American Disability Act (ADA) standards, improve access management, and address drainage as needed.
